

STORAGE POLICY (Yachts, Motorboats & Kayaks)

Yacht storage space at Ranelagh Club in the RYS shed has become a premium commodity, with a waiting list for any available spots.

After a review of the storage area with respect to both the safety and efficiency of operations, we have determined that member storage will unfortunately no longer be available for casual sailors. This change will take effect from the start of the new membership year on 1st July 2015.

To be eligible for boat storage in the RYS shed, you must regularly sail with RYS and commit to participate in a minimum of 6 afternoon or evening regattas during the sailing season. Additionally, you will be an active member of RYS and will volunteer to assist on sailing days, either in coaching, powerboat driving, beach Marshall or catering capacity.

The base boat storage fee will be increasing to \$210.00 for the next season, however we will be making improvements to both the layout and usability of the shed.

For those who are either unwilling or unable to become active members of RYS next season, and will have difficulty organising alternative storage on short notice, we offer a temporary storage option in the Motorboat shed for \$100.00 until 30th September 2015.

Refunds will not be offered for annual storage, however a transfer can be arranged by the owner with another member to use the same storage space.

For Motorboat storage/winch usage and in the case of prolonged service outages (greater than one calendar month) of the boat ramp we will issue members with pro-rata refunds.

All kayak and SUP's will now be stored in the Motorboat shed and not in the beach boxes.
