

## MEMBER GUEST POLICY

---

In order to preserve member benefits, the availability of the Club House to other members, and to encourage family membership and participation - the following policy applies for members within the Clubhouse.

This policy provides additional member benefits to that provided in the By-Laws and Articles of Association, which currently detail 4 guests per member.

Changes are - maximum Guests per Member (over the age of 18) per day as follows:-

Couple Membership    **10 Adult Guests** (requires each of the 18+yrs couple to be present)

Family Membership    **10 Adult Guests (Maximum 15)**  
(requires both of the 18+yrs members to be present)

**Maximum booking size 40 (otherwise Private Function)**

(All requests for more than 40 guests will be treated as a private function and the normal function room hire fees will apply)

Please note that as per the existing By-Laws and Articles, these revised limits must not be exceeded without the prior consent of the Hon. Secretary, Club Management or an authorised appointee.

Members may invite the same guest to the Club up to 6 times in any one financial membership year.
